

Hello Everyone and best wishes for the start of this holiday season.

As you all know, Jake and Sandy Worden are now running the restaurant. While experiencing some new owner pains with the unique "wants" of the members, they have been willing to make changes to help accommodate most of us. I would like to help introduce them to all of you.

I'm organizing a Christmas dinner. Many of you still have a ways to go to complete your annual food minimum and this should help. And it will give the Worden's a chance to showcase their food.

The dinner will be Monday, December 12th. It will be by reservation and you will be assigned a table. There will be a maximum of 10 tables, each seating 10. If you want to reserve as a group, you can do that. Regardless, you need to let me know so I can organize the tables and let the Wordens know how many. Email me at attyflo@aol.com, or aftos738@gmail.com.

They will have carved prime rib, cajun shrimp alfredo, chicken marsala, mashed potatoes, vegetables, salad and rolls, plus two kinds of cake. The charge will be \$40.00 per person, plus tax and an auto gratuity of 18%. Pretty decent price for all of that food.

You can invite guests. Hope to fill the restaurant.
