Clubhouse Renovation Update

The upgrades to all the bathrooms inside the clubhouse began this past Monday, February 13th. The bathrooms by the Worden were completed with their final upgrades set by the end of this past weekend. The bathrooms by the golf shop are planned to be closed starting this Monday, February 20th until March 1st. This will be the first time since the clubhouse was built in 2000 that the bathrooms will have a major upgrade. Thank you for your patience during this time of construction as it is definitely not a quiet process.
