Membership

Welcome our newest members

May 2023

Scott & Linda Crowe

Robert Koelzer (re-joined)

Randy & Randee Worster (referral from Darrel & Charlie Houmes)

Currently, our membership has grown to 352 members (220 memberships). We look towards the upcoming season growing our active golf membership. This year we will continue to have a member only course during the short days of the year starting when Daylight Savings Ends on Sunday, November 5th. We will also incorporate shotgun starts during our winter season so everyone can tee off/finish at a reasonable time.

Agronomy Update

Scott Polychronis, GCSAA (Course Superintendent)

We are in the process of transitioning out the ryegrass and promoting bermudagrass growth. Once the daytime and nighttime temperatures = 150 degrees, bermudagrass will actively start growing. We will be verticutting and aerating both courses over the next month or so to help promote Bermuda growth.

Staff will begin the remodel on #9 Tee on the Palmer Course on June 12th. All tees will be moved to the forward tee and then to the upper tee on the right behind the snack trailer during the remodel. Another tee project will be leveling off the gold and red tee area on #8 Palmer this summer as time permits. Cart path projects will also be scheduled for late summer/overseed.

Just a reminder to all members and homeowners that we do our best to keep up with weed control and tree trimming. If homeowners want to keep things trimmed up in a timelier manner they can hire an outside service, and we will work with them to allow access onto the golf course if necessary.

Course Aeration Schedule

Canyons closed: June 19th-26th

Palmer closed: July 5th-July 11th

Course Overseed Schedule

Canyons closed: September 5th-October 2nd

Palmer closed: September 17th-October 14th

Golf Shop News

Adam Schwartz, PGA (Director of Golf)

The start of the summer season has never been so busy as it has the past six weeks. We have seen a continued increase in member play both casual and during OMGC and OWGA day(s). Additionally, a steady number of snowbirds are beginning to stay through the month of May rather than travel or move to their summer homes in April as in past years.

Starting this week with only one course open our summer golf shop hours are in full swing. Tee times will begin approximately at 5:15am and end for outside play at 11am. Members are more than welcome to play after 11am now through the end of summer.

The golf shop will close at 2pm. As a reminder, if you are looking to make tee times after hours, please visit our website (www.theoasisgolfclub.com) to make reservations through the member booking portal.

Demo Day and PURE Grip visits will re-start once again starting in October 2023. However, if you are looking to get fitted for a set of irons or would like to demo an assortment of Callaway, PING or Cleveland/Srixon clubs, the golf shop has a variety to choose from. Fittings can be setup by appointment either through Adam or Joe as we utilize Callaway, PING, and Srixon fitting systems.

Finally the golf shop will be getting a facelift this summer with the addition of fixtures, displays and renovation. We look forward to a new look for the fall season!

Beverage Cart Update

Effective June 12th, the Canyons Snack Shack and Palmer stand will be closed for the summer. They will re-open in October once the courses re-open from overseed.

Beverage carts will still be running both courses with snacks, drinks & cigars.

Congratulations to our recent Hole in One(s)
