XXIO
EXPERIENCE DAY

THE XXIO DIFFERENCE

XXIO is different. XXIO designs the head, shaft, and grip for each club as a cohesive unit for moderate swing speed golfers. This produces unique golf clubs that are exceptionally easy to swing, which launch the ball higher and farther. See for yourself how the engineering of XXIO can give you more distance compared to the product in your bag.

THIS IS XXIO. EXPERIENCE THE DIFFERENCE.

The "Fact or Fiction Golf Rules Quiz" (*trademark pending on this creatively named masterpiece.*)

Below you'll find 5 statements, and it's your job to determine whether they're FACT or pure FICTION.

Yes, the answers are in the P.S. of this email but if you look before answering the questions, I'll know (*trust me, I'll know...*)

"Rule" #1: You can use binoculars to search for your lost ball.

"Rule" #2: If a squirrel steals your golf ball, you get a free drop.

"Rule" #3: If your ball lands in a sandcastle in a bunker, you can rebuild it without a penalty.

"Rule" #4: You can use your putter to play your ball from any bunker.

"Rule" #5: If your ball lands in a tree, you can use a baseball swing to get it down.

The answers are on the last page...

ANSWERS TO RULES QUESTIONS...(From Page 3)

Answer #1: Fact! You can use binoculars (or any distance-measuring device) to search for your lost ball, as long as you're not causing undue delay.

Answer #2: Fiction! Sorry, no free drops for squirrel antics. You play the ball as it lies, even if Mr. Squirrel is the culprit.

Answer #3: Fiction! As much as we'd love to see sandcastle-building during a round, you can't touch the sand or build sandcastles in a bunker. Chalk that up as a penalty stroke.

Answer #4: Fact! Surprisingly, this one's true. You can use any club to play your ball in a bunker, including your trusty putter.

Answer #5: Fiction! Sorry, no baseball swings allowed. Climbing the tree or taking an unplayable lie are your options here.
