

The Oasis Spin

Holiday 2024 Edition

Happy Holidays

To all of our members, have a very Merry Christmas and a safe, healthy and Happy 2024.

Now....Go play some golf!

Yours truly---
Kirk

Golfer's List of New Year's Resolutions:

1. I RESOLVE TO leave the course better than I found it
2. I RESOLVE TO rake out my footprints and shot marks in the bunkers
3. I RESOLVE TO fill divots properly (i.e. slightly below the level of the surrounding turf canopy)
4. I RESOLVE TO repair my ball marks properly (i.e. gently push turf toward the center of the mark using a pointed tool)
5. I RESOLVE TO follow all cart rules (i.e. 2 carts per foursome, directional signs and roped off areas)

Merry Christmas and Happy New Year from the entire Maintenance Staff

Nevada State Liquor Laws don't allow members and guests to bring their own alcohol onto our courses. This includes tournaments and club play. Our liquor license and insurance can be revoked for allowing alcohol that wasn't sold by the Club to be brought onto our courses or consumed in the clubhouse or premises. We can no longer allow liquor to be given out or served by members and guests. However, the Bev Cart Manager has ideas that would allow a similar service. She is eager to work with you to create an exciting event. We will also continue to provide beverage service on both courses with great prices! Thank you for your cooperation.

It's time to pick up your **GOLF CART PERMIT!**

- Display sticker on cart windshield - lower left corner
- Cart must be insured – annual renewal sent to the office
- Turf friendly tires required
- Cart must be properly maintained
- Please buddy up to help improve turf health & quality

Please see Michelle in the office to pick up permit before Jan 1st

The Staff at the Oasis Golf Club would like to take this opportunity to express our gratitude to all the members

for their generosity during the holiday season. The Children's Christmas Gift Cards, Smith gift cards, corn dogs, burritos, candies, cookies, and all of the treats make us feel special. We all join together in wishing you and your families a very Merry Christmas and a Happy New Year!

SNGA Membership for 2024

If any Oasis members are looking to participate in SNGA events during the new calendar season, they need to be an SNGA member to play in team play competitions and any of the SNGA men's or women's amateurs, which include the WSNCA Club Matches. *Having a GHIN in a different golf association will not qualify an individual to play in SNGA events.*

Key Changes for World Handicap System in 2024

Starting on January 16th, 2024, the USGA has announced three key changes to the World Handicap System.

- 1) Players will no longer have a 9-hole score in queue to combine with a future 9-hole score.
- 2) Use of expected score differential applies when 10-17 holes are played given players post their hole-by-hole score.
- 3) Courses as short as 1,500 yards (18 holes) or 750 yards (9 holes) are eligible for a course or slope rating.

For additional detailed information regarding the World Handicap System changes please visit [WHS 2024 Revision \(usga.org\)](https://www.usga.org/whs-2024-revision).

Just a friendly reminder...

If you pay for a trail fee to use your own cart, there is a \$35 cart fee each time you or a family member use an Oasis Golf Club cart. If you'd like a cart plan so you can use an Oasis Golf Club cart more often, please see Michelle for pricing and more details.
