Check It Out!

Winter is here and our main objective is to protect the turf from winter damage. Frost delays, signage and roping are all part of our management program. We appreciate your help and understanding this time of year. Please follow all signage and roped off areas. Please keep the carts on the paths as much as possible, and as always double up so we have 2 carts per foursome.

We do a lot of trimming and clean-up work during these frosty mornings. We focus on greens and tees first and then work outwards on the perimeters and landscaped beds. We pride ourselves on a neat, clean and detailed looking golf course. We appreciate your help.

Happy Holidays from the maintenance staff and thank you for your ongoing support.

Happy  
New Year

The image features the words "Happy New Year" in a cursive, gold-glitter font. The text is surrounded by a dense collection of small red stars and spiral confetti, creating a festive and celebratory atmosphere. The background is plain white.
